

# INVITED TALKS

(since 2017)

Caroline Lasser

- 21 April 2023** Online talk for the Bristol Mathematical Physics Seminar
- 28 March 2023** Online talk for the CECAM flagship workshop “Triggering out-of-equilibrium dynamics in molecular systems”
- 15 March 2023** Talk for the online seminar “Mathematical Challenges in Quantum Mechanics”
- 8 December 2022** Talk for the séminaire d’analyse, IRMAR Rennes
- 13 October 2022** Talk at the workshop “Women in PDEs”, Karlsruhe
- 30 June 2022** Plenary talk at the Acta Numerica 30th birthday conference, Bedlewo
- 27 October 2021** Online talk for the mathematical physics seminar at Imperial College, London
- 23 September 2021** Online plenary talk at the CIRM-FBK event “Analysis, Control, and Numerics for PDE Models of Interest to Physical and Life Sciences”, Levico
- 21 April 2021** Online talk for the Heraeus Seminar “Koopman Methods in Classical and Classical-Quantum Mechanics”, Bonn
- 29 October 2020** Online talk for the Workshop “PEDs Unplugged” at KIT, Karlsruhe
- 16 September 2020** Online talk for the Workshop “Algorithms for molecular quantum dynamics” at CIRM, Marseille
- 16 January 2020** Invited talk for the séminaire d’analyse at Université de Nantes
- 19 November 2019** Invited talk for the seminar of the research programme “Geometry, compatibility and structure preservation in computational differential equations” at the Isaac Newton Institute in Cambridge
- 23–24 October 2019** Invited talk at the workshop “Spectral Computations in Quantum Mechanics and Applications to Material Structure” in Cambridge

- 22–26 July 2019** Invited talk for the minisymposium “Multiscale methods and analysis for oscillatory PDEs” at SciCADE2019 in Innsbruck
- 17–21 June 2019** Invited talk at the conference in honor of Ernst Hairer’s and Christian Lubich’s birthdays at the Gran Sasso Science Institute in L’Aquila
- 20–24 May 2019** Invited talk at George Hagedorn’s 65th birthday conference “Mathematical Physics at the Crossings” at Virginia Tech
- 29 October 2019** Gauß Lecture of the Deutsche Mathematiker-Vereinigung at the Universität Tübingen
- 18 September 2018** Talk in the Oberseminar “Analysis–Probability” at the Max-Planck-Institut für Mathematik in Leipzig
- 27–29 June 2018** Invited talk at the 2nd workshop on “Modern Numerical Methods for Quantum Mechanics” at the University of Gdansk
- 12–14 June 2018** Invited talk at the QUSET18 workshop at the Max Planck Institute for the Physics of Complex Systems in Dresden
- 18–24 March 2018** Invited talk at the Oberwolfach workshop on “Mathematical Methods in Quantum Chemistry”
- 15–16 January 2018** Invited talk at the Kickoff meeting of the CHAMPS project in Bristol
- 12–13 October 2017** Invited talk at the Annual meeting of the GAMM activity group “Modelling, Analysis and Simulation of Molecular Systems” in Aachen
